**1. The Stage Group** - Website: [www.stagegroup.cn](http://www.stagegroup.cn)

Industry	Date of Establishment	Registered Capital (USD)	Turnover of Prior Year (USD)	Number of Employees
Textile and Garment, Processing and Manufacturing	2013-03-18	7,462,700	14,800,000	2500
<b>Company Profile</b>				
<p>StageGroup Co., Ltd. (hereinafter referred to as The Stage Group) is a company first founded in 2000 and headquartered in Hangzhou. Its produces a wide range of products, including leather, woven garments, knitwear, down garments and accessories, and its business also covers cross-border e-commerce and overseas investment. Over nearly twenty years of development in the garment industry, it now employs more than 2,500 people, provides OEM/ODM services to hundreds of internationally famous brands, and is one of the leading exporters of fashion coats in China. The Stage Group has established several R&amp;D and marketing centers in countries including Spain, Italy, the United States and Britain. With the introduction of internationally advanced sewage treatment systems, it has developed a vertical supply chain for the leather industry. The group has five major production bases in China and several others in countries including Bangladesh, Myanmar and Ethiopia.</p> <p>The Stage Group currently follows a development strategy of online-offline synchronous development. It has established its own brands ESCALIER and BERRY BOOM, and has built Baoman Fashion Marketing Center, an industry park which integrates the design, R&amp;D, production and sales of garments. The group has also initiated a trio marketing model, i.e. vigorously develop municipal and prefectural-level wholesale channels, with a focus on stores in Zhejiang and Shanghai, and use stores in malls, office buildings and factories as showcases.</p>				
<b>Awards/Qualifications</b>				
<p>The group has won various awards, including Outstanding Company in Foreign Currency Earnings, Award for Large Taxpayers, Company with Harmonious Labor Relations, Key Industrial Enterprise, Outstanding Company in Employment, etc.</p>				
<b>Industries/Businesses to Partner with</b>

**2. WuChan ZhongDa E-commerce Co.,Ltd. - Website: [www.zjmiec.com](http://www.zjmiec.com)**

Industry	Date of Establishment	Registered Capital (USD)	Turnover of Prior Year (USD)	Number of Employees
Textile and Garment, Trade and Logistics	2018-04-16	44,776,100	1,120,400,000	253
<b>Company Profile</b>				
<p>5ctong is a wholly owned subsidiary of the Fortune Global 500 company Wuchan Zhongda Group (stock code: 600704). By positioning itself as the integrated service provider of supply chain and industrial ecology organizer in the field of consumer goods, the company has adopted a W2B2C business model and mixed ownership structure in developing the 5ctong Online Platform and Offline Wuchan Park. Its main focuses are living and office consumption, with products covering cosmetics, daily consumption, maternal and child supplies, personal care, household appliances, pet food, clothing, office supplies, welfare supplies, etc. Its advantage lies in supply chain differentiation. Founded in 2013, the company started from commodity trading and moved on to cross-border e-commerce with the release of BaoshuiTong e-commerce platforms in 2014. The internal acquisition of YiwuTong the same year helped shape its main business structure. The distribution of overseas warehouse and domestic bonded warehouse started in 2015, marked by the establishment of its overseas warehouse brand YicangTong and the operation of Xiasha bonded warehouse. Its offline park ecology began to take shape in 2016, with the official launch of Wuchan Park. The independently developed 5ctong online platform went into operation that same year.</p>				
<b>Awards/Qualifications</b>				
<p>The company boasts a number of famous subsidiary brands: 5ctong is a famous service brand in Zhejiang Province; Zhongda Import &amp; Export is a well-known trade brand in Zhejiang Province, SENDI has been listed as <i>China's Famous Export Brand</i> and <i>Zhejiang's Famous Export Brand</i> by the Ministry of Commerce and the Provincial Department of Commerce respectively, as well as one of the earliest pilot companies in China (Hangzhou) Cross-border E-commerce Comprehensive Pilot Area, and one of the top 10 e-commerce companies in Zhejiang Province during the 12th Five-Year Plan period; Wuchan Park has been awarded Cross-border Eco-industrial Park Practice Base for Overseas Zhejiang People and Comprehensive Pilot Base for Cross-border Pet Industry.</p>				
<b>Industries/Businesses to Partner with</b>				
Textile and Garment, Trade and Logistics, etc.				
<b>Business Intention</b>

<p>The company is located in the center of China's Yangtze River Delta, with Shanghai in the east, Hangzhou in the west and Suzhou in Jiangsu Province in the north. It is 18 kilometers away from Shanghai-Hangzhou Expressway and 90 kilometers away from Shanghai Pudong Airport. It has a superior geographical location and convenient transportation. Since its establishment in 1997, the company has made great progress and has formed three backbone product systems of electrostatic flocking products, plywood and leisure sofas. It is a production group integrating the production of flocking fabrics, plates and other raw materials with the design and manufacture of leisure sofas, and has obtained the production license certificate and quality management system certification issued by the state. The company has three branch factories of flocking, wood and sofa, with a total staff of more than 300 and a total area of 24,000 square meters. The flocking branch factory has two flocking production lines, mainly producing medium and high-grade flocking clothing fabrics and various home textile fabrics. There are four production lines in the wood branch factory, which produce series of multi-layer plywood products. The sofa branch factory specializes in producing medium and high-grade leisure sofas. Based on the local sales market, the company is also actively exploring the international market and providing high-quality products to global customers. The company sincerely hopes to cooperate with all friends at home and abroad for common development and a bright future.</p>
